Is it the Original Horse !

New facts bearing upon the origin of the domestic animals are eagerly received, and much interest was aroused three years ago by the an nouncement of Przevalski, the great Russian explorer, that he had discov ered, in Central Asia, a wild horse more closely allied to the domestic species than any other previously known. A full description of the new horse-known as Equus Przevalski-has only very recently been translated from the Russian. It appears that the animal is intermediate many respects between the true se and the asses. It has a short, erect mane, no forelock, and the bairs of the tail do not extend the whole length of the tail, but only from about the middle downward; while, on the other hand, it has broad hoofs and small ears. The color is whitish gray, with red or blackish legs In herds of from five to fifteen, the animals inhabit the wil lest and dryest parts of the Daungarian desert, and are very shy. Drawings made by the ancient French cave-dwellers very accurately represent this horse.

In Russia a physician who fails to respond to the summons of a patient is punished by a fine of from 5 to 100 roubles. If the case was dangerous, and the physician knew it, he may be and the physician knew it, he may be imprisoned in the ail for three months. The legal foe for an ordinary visit is from 74 to 15 cents; for an accouclement, 75 cents. These laws are strictly enforced.

CROUP, WHOOPING COUGH and Bronchitis immediately relieved by Shiloh's Cure. For sale at Tracy's. For lame back, side or chest, use Shiloh's Porous Plaster. Price 25 cents. For sale at Trace's.

#### Sore Eyes

The eyes are always in sympathy with the body, and afford an excellent index of its condition. When the eyes become weak, and the lids inflamed and sore, it is an evidence that the system has become disordered by Scrofula, for which Ayer's Sarsaparilla is the best known remedy.

Scrotula, which produced a painful in-flammation in my eyes, caused me much suffering for a number of years. By the advice of a physician I commenced taking Ayer's Barsaparilla. After using this medicine a short time I was completely Cured

Cured

My eyes are now in a splendid condition, and I am as well and strong as ever.

—Mrs. William Gage, Concord, N. H.

For a number of years I was troubled with a humor in my eyes, and was unable to obtain any relief until I cemmenced using Ayer's Sarsaparilla. This medicine has effected a complete cure, and I believe it to be the best of blood purifiers.—C. E. Upton, Nashua, N. H.

From childhood, and until with a few months, I have been afflicted with Weak and Sore Eyes. I have used for these complaints, with beneficial results, Ayer's Sarsaparilla, and consider it a great blood purifier.—Mrs. C. Phillips, Glover, Vt.

I suffered for a year with inflammation in my left eye. Three ulcers formed on the ball, depriving me of sight, and causing great pain. After trying many other remedies, to no purpose, I was finally induced to use Ayer's Sarsaparilla.

three bottles of this medicine I have been entirely cured. My sight has been restored, and there is no sign of inflammation, sore, or uleer in my eye.—Kendal T. Bowen, Sugar Tree Ridge, Ohio.

T. Bowen, Sugar Tree Bidge, Ohio.

My daughter, ten years old, was afflicted with Scrofulous Sore Eyes. During the last two years she never saw light of any kind. Physicians of the highest standing exerted their skill, but with no permanent success. On the recommendation of a friend I purchased a bottle of Ayer's Sarsaparilla, which my daughter commenced taking. Before she had used the third bottle her sight was restored. Her cure is complete. — W. E. Sutherland, Evangelist, Shelby City, Ky.
